

Transportation Advisory Committee

AGENDA

Wed Oct. 26 , 2011, 7:30 pm

Location: Town Hall Room 126

Some items are just a mention.

Bikes

1. Outreach to VCC for bike enthusiasts to join TAC, following Acton2020 bike discussion
2. Bike Rack

Schools and Health Dept.

1. Video and Project HOPE, Active Acton
2. PIP Stem Discover 2011 on Nov. 10
3. School Green efforts
4. SPED interest in MinuteVan
5. Upcoming School Committee Meeting
6. Possible future forum on: bicycling? safe routes to schools? connecting trails? public transportation? business and transportation? housing and transportation?
7. Note two online resources on cloud computing and school-town bus sharing.

MinuteVan Local

1. MinuteVan Local update (funding, fundraising, service report, LRTA meeting)
2. How a shuttle might fit into the senior/community center planning (John Sonner suggested, see email below)
3. Shuttle and weekend activities (mention school Sat. nights)

MinuteVan Regional

1. MinuteVan Regional report (Oct. 12 meeting, Oct. 28 state-wide meeting)
2. MAPC and other planning community
3. LRTA
4. MART Shuttles

Train

1. SATSAC report and other commuter rail updates
2. Meter update from MinuteVan local meeting

Email from John Sonner:

“We can't discuss via email, but I think it would be good to talk about how a shuttle might fit into the senior / community center planning at an upcoming TAC meeting.
