### CONSENT AGENDA

<b>DISCUSSION</b>	February 14, 2017 minutes
<b>ACTION ITEM</b>	February 14, 2017 minutes accepted as amended, 3:0.

### ACTION ITEM REVIEW FROM FEBRUARY 14, 2017

<b>DISCUSSION</b>	Ms. Fochtman will contact Town Counsel by the end of the week regarding obtaining approval of the proposed Model Airplane/Drone Policy for the School Street Field.

### TOPIC: NARA PARKING FEES

<b>DISCUSSION</b>	Ms. Fochtman shared a recommendation for a NARA parking sticker program, drafted by Ms. Melissa Rier, to be presented to the Board of Selectmen for approval. The recommendation is in response to increasing pressure on the Park during peak use times on summer weekends due to overcrowding and oversubscribing. The parking issue at NARA has been under discussion for two years now but requests for funding to hire a consultant and to purchase supporting technology have been turned down. The Recreation Department is taking the initiative to address the issue by implementing a system where Acton residents can receive a free annual sticker to park while non-residents pay a \$5 per-use fee. Details of the proposed system were discussed including traffic flow and communication to the public. Parking fee receipts will be applied to pay for additional parking lot attendants. Mr. Will moved that the Commissioners endorse the proposal, subject to closer review and the opportunity to send their suggestions to Ms. Fochtman via email. Seconded by Ms. Gerolamo. Motion passed 3:0.

### TOPIC: RECREATION VOLUNTEER OF THE YEAR

<b>DISCUSSION</b>	Ms. Fochtman asked the Commissioners to revisit this topic after receiving feedback from the Recreation staff who felt the award should recognize a person who has assisted the Department directly. At the February 14, 2017 meeting, Ms. Fochtman nominated Mr. Steven T. Repucci for his photography at Recreation events. Mr. Will nominated Mr. Bob Guba for his design work in the conservation areas and Mr. Ross Lilly for leading an accessible soccer program for residents of Acton and other towns. The Commissioners

	<p>voted unanimously to grant the award to all three. While each deserves recognition through an appropriate venue, the Recreation staff would prefer to adhere to the Department's informal precedent of recognizing one individual for outstanding involvement in the Department's immediate work. Of the three only Mr. Repucci met the criteria. In addition, after the February meeting Ms. Fochtman learned that Mr. Guba had already been awarded as the first Recreation Volunteer of the Year in 1999; his name appears on the plaque in Town Hall. Alternate ways to honor Mr. Lilly were discussed.</p> <p>Ms. Fochtman also reported that Ms. Maura Haberman, Recreation Event and Program Coordinator, would like to recognize Mr. Mehul Suri as 2016 Recreation Student Volunteer of the Year.</p> <p>Mr. Will moved to delete two names from 2016 Recreation Volunteer of the Year and to add 2016 Recreation Student Volunteer of the Year, and to name Mr. Repucci as 2016 Recreation Volunteer of the Year and Mr. Suri as 2016 Recreation Student Volunteer of the Year. Seconded by Ms. Gerhardt. Motion passed 3:0.</p>

**TOPIC: NARA MASTER PLAN – PARK MAP**

<p><b>DISCUSSION</b></p>	<p>Ms. Fochtman presented a draft of a NARA Park map showing confluence of the Bruce Freeman Rail Trail with the 1-mile NARA Walking Trail and ½-mile Pond Trail. Currently in the final stages of editing, the map uses an aerial photo as its source and measures approximately 2 x 3 feet. Mr. Will suggested outlining the Park border. A dashed line will be considered. Ms. Fochtman stressed the need for accuracy of this addition. Mr. Trimble inquired about the history of the Rail Trail which Ms. Fochtman answered using the map for reference.</p>
